

Health and Safety Policy: Statement of Intent

This written Policy Statement as required by *Section 2(3) of The Health & Safety at Work etc. Act 1974* and *Regulation 5(2) of the Management of Health & Safety at Work Regulations 1999 (Amended 2006)* applies to all Owls Hall Environmental Ltd employees and premises; this includes but is not limited to the employees of Contractors, Sub-Contractors, Self Employed Persons, Clients and Consultants working on behalf of Owls Hall Environmental Ltd. This Policy demonstrates that appropriate measures have been determined and applied and is available to all interested parties upon request.

The Policy of Owls Hall Environmental Ltd is a commitment to provide high standards of health, safety and welfare at work to prevent, so far as is reasonably practicable, accidental loss that may result in:

- Personal Injury.
- Ill Health.
- Damage to plant and property.

The Senior Management of Owls Hall Environmental Ltd has following consultation with their competent person for Health and Safety, ensured that this policy is appropriate to the nature and scale of the organization's occupational health and safety risk. The Senior Management of Owls Hall Environmental Ltd will work with the competent person for Health and Safety to annually review and set OH&S objectives and this Policy.

The Company objective is to achieve this with a commitment, so far as is reasonable practicable, to:

- Providing an organisational structure which supports and implements risk assessment and risk control
- Ensuring the policy is communicated or displayed within all areas, including remote locations.
- Providing equipment and methods of work that are safe and without risk to health.
- Providing adequate welfare facilities that are maintained in an efficient manner.
- Ensuring that the arrangements for the use, storage, transport of articles and substances used at work are adequate.
- Setting up emergency procedures.
- Providing information, instruction, training and supervision as necessary to ensure health and safety at work.
- Appointing competent persons to assist with the implementation of Health & Safety arrangements.
- Providing sufficient resources and allocation of funds to effectively implement this policy.
- Regularly reviewing health and safety performance, and setting health and safety objectives aimed at improving the Companies safety performance.
- Seeking to continually improve company and management systems, operating practices and cultures in all areas that may lead to improved safety performance.

The Senior Management of Owls Hall Environmental Ltd is charged with the commitment, application and promotion of this Policy and to ensure that the Company complies with statutory health and safety legislation, associated Approved Codes of Practice, other Codes of Practice and it's duties in common law.

While Owls Hall Environmental Ltd accepts it's responsibilities towards health and safety it is expected that Contractors, Sub-Contractors, Self Employed Persons, Clients and Consultants fulfil and comply with their legal requirements under *Section 7 and 8 of the Health & Safety at Work etc. Act 1974*. e.g. take reasonable care for their own health and safety and that of others that may be affected by their acts and omissions, to co-operate with management on matters of health and safety and do not interfere with or misuse anything provided in the interests of health and safety.

Signed on behalf of Owls Hall Environmental Ltd.

Craig Finbow
Director of Health and Safety.
